13:00 Networking Lunch

Enjoy a light lunch and connect with your peers, our partners and us. Our team of consultants will be on hand to answer your questions.

Auditorium

14:00 Hints, tips, tools & techniques with Touchstone experts

One of our most popular sessions. Join our SunSystems experts and consultants for this interactive session where you can pick our brains. This is your chance to ask us a question, pose a problem and let us help.

14:30 Sharperlight Reporting

We all love Q&A, but occasionally you may ask yourself what else is out there and how difficult would it be to master a new reporting tool? Join this session for what might just be the answer.

15:00 Hints, tips, tools & techniques with Touchstone experts

So popular we thought we'd run it twice! Join our SunSystems experts and consultants for this interactive session where you can pick our brains. This is your chance to ask us a question, pose a problem and let us help.

Franks Room

14:00 AP Automation & Bank Payments with Sysynkt

It costs £15 to manually process a purchase invoice according to research. Discover how you can make serious efficiency gains with AI automation and watch data flow seamlessly to and from SunSystems.

14:30 SunSystems 4 - Where to next?

If you're a SunSystems 4 user and are looking for advice on your upgrade options, wondering what's involved, how long it might take and what might it cost then this is the session for you.

15:00 Introducing Touchstone Data Services

Do you have disparate systems and want a holistic data set to report on but no data team? Our new managed service takes various data sources and presents a single endpoint for Power BI, Tableau and more.

Auditorium

15:30 Your Journey to SunSystems Cloud - A practical guide

SunSystems Cloud is the go to version of SunSystems, it is where all applications are heading. In this plenary session we will guide you through the process of moving from on-premise to SunSystems Cloud. Steve Smith & Richard Ray will explain.

16:00 Summary & Close

16:15 Drinks Reception

In partnership with:

infor Gold Channel Partner · systems@work · professional advantage · Sharperlight · TIMEXTENDER · Sysynkt ALLIANCE PARTNER
